

Declaration according to Section 3.3.1 of the .hu Domain Registration Policy

*for the transition of document-protected domain name(s) to factor authentication
domain registrar: legal entity*

The undersigned

Name:

Position: CEO

ID card number:

as the official representative of the following legal entity

- **Name:**
- **VAT number:**
or **Company registration number:**
- **Address:**
- **Notification email address:**
- **Notification phone number:**

for the following domain(s) registered by us, I request the transition from document-protected registration to factor based registration.

- **Domain name(s):**

Domain name(s) protection level:

☒ Email only ☐ Email and authentication phone number

Factor data of the domain registrant:

- **Email address:**
- **Phone number:**

I acknowledge the risks associated with factor based authentication, including the fact that anyone with access to the authentication factor(s) I have provided may gain unrestricted control over the domain(s), even without my knowledge.

I understand that special attention must be paid to safeguarding control over authentication data.
